New Community Policing Model introduced

Posted on [February 20, 2015](#) by [barbfrey](#) | [Leave a comment](#)

Did you know? As of the 1st December 2014, WA Police have introduced sweeping changes to the way services are delivered to the community using a new Community Policing model dubbed [Frontline 2020](#).

The Midland area will benefit enormously from these changes. For example, since Dec 1st, resources to our local community have more than doubled from 60 to 130 officers. Each area now has a 'Local Policing Team' (LPTs) supported by centrally co-ordinated District Crime Centres.
